

DRAGON MASK - BLUE

Print on heavy weight paper for strength.

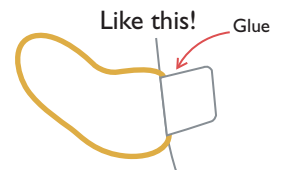

1. Cut around the outline with scissors.
2. Cut out the holes for the eyes with a craft knife.

IMPORTANT

ALWAYS supervise children if they use scissors and glue. NEVER let them use craft knives. Paper edges can be sharp so please take care.

3. Fold back and glue the tabs inside to fix the rubber bands.

4. Cut the fire and glue to the mask.
